FOSTER HOME AGREEMENT

Thank you for providing a foster home to an animal in need from Middle Tennessee Treasures, a non-profit 501c3 organization (hereafter referred to as “MTT”).

Fosters assist in the training and help them overcome any fears or stresses caused by their abandonment or abuse. The expectation is that foster pets will be treated as “part of the family” while they are being cared for in your home. This is a great way to get them out of the kennels and into the loving environments they so desperately crave and deserve. The following describes the expectations for providing a quality foster home so that you and the cat/dog will get the most out of your time together.

Name _____
Address _____
City _____ State _____ Zip _____

- If, at any time you are unable to continue providing the care outlined in this agreement, or can no longer foster, you must contact MTT to pick up the animal. DO NOT adopt, temporarily house, or board any animal without first speaking to MTT.
- MTT cannot guarantee an adoption time frame to any foster. Please be aware that there is an undetermined time commitment prior to fostering. Every effort to place your foster pet will be made once the pet is both physically and socially ready for adoption.
- Foster families are to immediately notify MTT of any change of address or telephone number or of any plans to move out of the State of Tennessee during the foster care period.
- MTT reserves the right to terminate this agreement at any time it is deemed the animal(s) are not receiving appropriate care. All MTT animals will be returned to MTT upon termination of this agreement.
- Foster families must allow MTT to make periodic visits for as often as it deems it necessary.

CARE:

- Foster pets will be provided a safe, clean, secure, sheltered environment.
- Foster families provide food, shelter, and supplies for the animal’s care. MTT will supplement any of the aforementioned items, as they become available. All foster pets will be fed an appropriate diet and provided fresh water daily.
- All foster animals will wear a collar with an MTT tag.
